

Grindstone City to Port Austin - Kayak Trail

This one-way trip starts where we drop you off in Grindstone City. Leaving Grindstone City, paddle east for approximately a half mile to explore magnificent cliffs before paddling west back to the shop. On the way, you will pass undeveloped shoreline where you may see eagles and Pointe aux Barques.

This trail is about 6.5 miles.

Option B - Experienced kayakers only: If you are really adventurous, in good shape and it is a nice day, you could head out to the Port Austin Reef Light before coming back to our shop.
